

Meet Miss Steele

About Me

This is my seventh year in education. I have taught in both Special Education and General Education. My years as a teacher have been split across Colorado, Missouri, and Texas. I am excited to begin my fifth year in first grade and my fourth year in Lindale. Lindale is such a special place, and I am proud to call it home.

Welcome to first grade! It is important to me that each year my class forms their own unique classroom family.

I am so excited to see how ours comes to life this year!

2026 - 2027

I look forward to meeting
you soon!

Fun Facts

I am passionate about musical theatre, as well as animal rescue. I have rescued 12 cats, two of which are now permanent members of my family!
