Welcome to 3rd grade!
I teach Math, Science, and GT.
“We are Family!”

@HeyMiSSHAut 2020

I have been teaching for 20 years, and this is my 14th year at CSE. I have always taught 3rd grade except for my first 4 years of teaching when I taught 4th grade. I have been married to my husband Jay for 22 years, and we have two daughters. Charlotte is 20 and is a Senior at Texas A&M University, and Samantha is 18 and starting her Freshman year at TAMU (Gig ‘em!) CSE is the place to be, and I am so glad you are here! Let’s have a great year!
