

Meet the **TEACHER**

About me

2024-2025 will be my fourth year teaching in the Lindale School District. I worked at ECC as a Kindergarten teacher for two years, came to CSE for 2nd Grade, and now I'm teaching 3rd Grade ELA/SS. I have been teaching since 1993, having taught K, 2nd, 4th, 5th, and 6th grades.

Becoming a part of the Lindale community in August 2021 with my husband, Kelley, and my college sophomore, Kathleen, was a blessing. We are building a small rental development north of town as well! We have two German Shepherd/Husky siblings, Luke and Leia, and an African Gray Parrot, Gracie.

Dear Student & Family

I am looking forward to teaching 3rd grade this year, and I'm very excited to see familiar faces from my previous years at ECC and CSE! I hope our year together will be positive and productive. It is my goal to help your student strengthen their independence and focus on learning this year. Thank you for your help and support with this!
