Welcome to 3rd grade!
I teach Math, Science, and GT.
“We are Family!”

@HeyMissHaut 2020

I have been teaching for 19 years, and this is my 13th year at CSE. I have always taught 3rd grade except for my first 4 years of teaching when I taught 4th grade. I have been married to my husband Jay for 21 years, and we have two daughters. Charlotte is 19 and is a Junior at Texas A&M University! (Gig ‘em!) Samantha is 17 and is a Senior at LHS. She is the captain of the LHS Star Steppers drill team. CSE is the place to be, and I am so glad you are here!
Let’s have a great year!
