#welcome to Second

I'm so excited to begin my 12th year teaching at College Street and my 19th year in education overall! I have a degree in Social Work from the University of Kentucky and earned my teaching certificate from Stephen F. Austin State University. My husband, Scott, and I have two wonderful children-Kaitlyn and Ethan-as well as two lovable dogs, Dewey and Kelso. As a family, we enjoy traveling, exploring new places, and visiting our loved ones back home in Kentucky. I'm looking forward to another fantastic year of earning and growing together!
