My favorite quote is "You can't read all day, unless you start in the morning!"

My mission statement

University of
North Texas
Library
Science

To encourage students to become independent readers for both information and pleasure.

I taught second grade for 18 years. I was a flight attendant for 4 years and then decided I couldn't wait to get back into Education. I worked as a library assistant at ECC while working on my masters in Library Science. This is my 11th year as the librarian at College Street and Velma Penny. I have the best job in the whole school!
