

Meet
Your

TEACHER

Hello...

My name is Kalyn Hefner. I grew up here in Lindale, and was blessed to come back to the school district that helped mold me. I attended college at the UT Dallas where I majored in Interdisciplinary Studies. My family consists of my husband (Michael), our daughter (Zona), and our 2 dogs (Spigot and Marshmallow). I started teaching 5th grade in Frisco ISD in 2015 and then transitioned to teach 3rd grade here at College Street Elementary in 2017. I am super excited to meet my new 3rd graders and watch them grow this year.
