

# Meet the **TEACHER**

## About me

2023-2024 will be my third year teaching in the Lindale School District. For the last two years, I worked at ECC as a Kindergarten teacher, but have moved back to second grade. I have been teaching since 1993, having taught K, 2nd, 4th, 5th, and 6th grades.

Becoming a part of the Lindale community in August 2021 with my husband, Kelley, and my recently graduated senior, Kathleen, was a blessing. We are building a small rental development north of town as well! We also have two Shepherd/Husky siblings, Luke and Leia, and an African Gray Parrot, Gracie.

## Favorites

- Food: **Chick-fil-A, Go Fish**
- Store: **Lowes, Amazon**
- Hobby: **DIY Projects, watching movies, reading**
- Team: **Eagles & Aggies**
- Color: **All shades of blue**
- Candy: **Peanut M&Ms, popcorn**

## Dear Student & Family

I am looking forward to teaching second grade again. This class of students was actually the first group of kindergarteners I had at ECC, so I'm excited to see some familiar faces! I hope our year is positive and productive. It is my goal to help your student strengthen their independence and focus with their learning this year, and I would greatly appreciate your support with this!
