Welcome to 3rd grade!  
I teach Math, Science, and GT.  
“We are Family!”

@HeyMISSHAut 2020

I have been teaching for 17 years, and this is my 11th year at CSE. I have always taught 3rd grade except for my first 4 years of teaching when I taught 4th grade. I have been married to my husband Jay for 19 years, and we have two daughters. Charlotte is 17 and is a SENIOR in high school! Samantha is 15 and is a Sophomore. They are both on the LHS Star Steppers drill team. CSE is the place to be, and I am so glad you are here!  
Let's have a great year!
