I was born and raised in Richardson, TX. I am a proud graduate of Stephen F. Austin State University. My son, Easton, just turned 6 and will be starting Kindergarten at ECC. I've spent the last 9 years teaching and living in Lufkin, TX. Easton and I moved to Brownsboro, TX this summer. I'm excited about this new adventure in Lindale ISD. When I'm not in the classroom, I enjoy spending time with family and friends, outdoor activities - like swimming and fishing, and getting manicures and pedicures.
