

READING INTERVENTION TEACHER

Mrs. Sipe

Hello! I am beyond thrilled to be the Reading Intervention Teacher at College Street Elementary! This will be my 17th year of teaching, and my third year at College Street Elementary. School is a very special place where students learn many things to help them reach their goals and to be successful. I am excited to be a small part of this accomplishment at a school where students always work hard, do their best and are not afraid to try new things.
