My name is Jonna McDonald and I help 1st, 2nd, and 3rd grade students in Special Education reach their math learning goals by working closely with parents, students, and teachers.

Teaching is an ADVENTURE! My mission is to serve you by using my talents and 26 years of teaching experience to celebrate your child's successes. My husband, Mark and I have been married 23 years. We have two TALL sons, Trent and Josh. We love to be at the lake, waterparks, and Christian concerts. Chocolate, Dr. Pepper, and sweet tea are always welcome!

We will succeed together during this 2023-2024 school year!
