I am so excited for this upcoming school year at College Street Elementary! This will be my 4th year of teaching and my 7th in education. I graduated from UT Tyler in December 2019. I'm a mother of two awesome teenagers, Lily-16 and Kohen-14. I am engaged to my best friend Trent who has a son named Pierce-7. I am truly blessed to a part of a wonderful community and school district!  
Let's go Eagles!!!
