

Meet the teacher

Hello there! Welcome to the 2nd grade. I am so excited for this school year to get started! I am looking forward to getting to know and working with all of my students and their families. We are going to have a GREAT year!

My name is Kelli Childers. I have lived in Lindale my whole life, so I am a 13-year senior... Go Eagles! I have worked at the LISD CSE campus now for 11 years and served in various positions. I received my Bachelor's degree of Inter. Science at LeTourneau University in Longview, TX and this is my 3rd year teaching 2nd grade. I feel truly blessed for the amazing opportunities, experiences, and people I have meet along the way... and am very excited about the upcoming year! I love country living and reside on a little farm on the outskirts of Lindale with my husband Allen and my twin daughters, Heidi and Halli. I enjoy reading, caring for my animals, and spending time with my family.
