@HeyMISSHAut 2020

Hi! My name is Jamie Shanks. This will be my sixth year working at College Street Elementary, eleventh year teaching first grade, and sixteenth year in education. I have a Bachelor's Degree in Early Childhood Education from Kennesaw State University. I am originally from Georgia and moved to Texas in 2011. I am married and have two beautiful daughters. I look forward to teaching your child and having a great year!
