

Meet the teacher

My goal this year is to encourage every child to be curious in their learning and to be explorers of information.

Hello my name is Mrs. Gibson and I am so excited to start my 10th year teaching at College Street and my 16th year in third grade! I have a Social Work degree from the University of KY and a teaching certificate from Stephen F Austin State University. My husband Scott and I have two children Kaitlyn and Ethan who both graduated from LISD. We have a sweet dog named Dewey. We love to travel, see new place and go home to KY to visit family.
