I have been teaching for 16 years. I started in fifth grade and moved to first, second, third, and then back to first. I graduated from the University of Wisconsin in 2007 with a degree in Elementary Education and from UT Tyler in 2023 with my M.Ed in Reading. I absolutely LOVE first grade. I think it is the hardest grade to teach but also the most rewarding! I can't wait to meet my new class and help them grow to be readers and writers and mathematicians!
